STRAIGHT BILL OF LADING (ORIGINAL NON-NEGOTIABLE)

Terms

RECEIVED, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned and destined as indicated above which said carrier (the word carrier being understood throughout the contract as meaning any person or corporation in possession of the property under contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property, that service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification NMFC 100 on the date of the shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification NMFC 100 and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

To Shipper: Please review and confirm the accuracy of the information contained in this bill of lading and revise as needed.

To Carrier: Notations such as STC (said to contain), SWP (shrink wrap pallet) will not be accepted and will not insulate carrier from liability in the event that the number of units received is less than indicated above.
